BONUS 1

90-Day People Plan

Implement everything from Modules 1-5, one week at a time, without stalling your operation.

You don't need to do everything at once. You need to do a few things every week, in the right order. This plan breaks the course into twelve weeks of three to five tasks each, about two to four hours a week. Each task names the tool to use. Check them off as you go. If a week runs long, let the next week slide. Steady progress beats a perfect schedule.

PHASE	WEEKS	FOCUS	MODULES

Systems	5-8	A weekly outreach rhythm, a content calendar, a real hiring process, onboarding.	1, 2, 4
Scale	9-12	Referrals, retention, event-day leadership, and reputation on autopilot.	2, 3, 5
